

Woodlands Swim Team Sign-Up Day

Friday, March 9th

6-9 p.m.

@ Sports Basement in Walnut Creek

This will be a 'family' event. There will be pizza, soda, and 'adult' beverages. You can meet our new head coach, Kelsey Brassil. Both swim team and Cabana Club Board Members will be on hand to answer any questions you may have about the upcoming season. We will have swimsuit fittings, and probably some merchandise. In addition to signing up for swim team and/or the Kermit's program, you will be able to pay registration fees (to both swim team and Cabana Club), sign up for jobs, and reconnect with your 'summer' friends. Sports Basement will also be giving our team a 20% discount on any purchases you make the evening of our event.

We look forward to seeing you there!!!

Please forward this email to any interested parties who were not on our team last year, this email is going out to 2011 swim team/Kermit families only.

Keep your eye out for a couple of emails from us in the next month or so. We will be sending out a registration packet via email. There will also be an email letting everyone know about open chair positions, if you are looking for an alternative to jobs.

Thank you,
Your 2012 Swim Team Board
